

Remarks

This Amendment corrects a formal matter in the claims without changing the scope of the claims. Specifically, claim 1 is amended to replace "a first switch transistor" with --a second switch transistor-- as indicated in the above amendment, to correspond with claim 1 of Applicants' proposed claim amendments provided to the Examiner on February 1, 2005. Applicants believe this to have been an inadvertent error by the Examiner when preparing the Examiner's Amendment mailed with the Notice of Allowance on February 16, 2005.

This amendment adds no new matter. Accordingly, Applicants respectfully request that this Amendment be entered.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
